## **ROZSA FOUNDATION ADDS NEW ARTS MANAGEMENT PROGRAMS**

### **Fundamentals Training and Executive Leadership programs now available to arts administrators**

The Rozsa Foundation encourages professional development at all stages of artist development or arts management. As such, we have added the following programs to our Calgary and Edmonton program schedule:

**Rozsa Admin Fundamentals Training (RAFT):** Offering fundamental skills in arts management, provides early career arts professionals an opportunity to learn more about what it means to work in a non-profit arts organization.

**Rozsa Executive Arts Leadership (REAL):** Provides arts leaders with an understanding of leadership vs. management, creating and negotiating a vision, building and engaging the team, and creating trust.

These new programs complement our current schedule of Rozsa Arts Management Program (RAMP) which provides professional development to mid-career arts professionals; and Next Step program which prepares and places recent gen Y business graduates on local arts Boards and Board committees.

Our programs are offered by educational institutes including **University of Calgary (Haskayne School of Business)** and **University of Alberta (Alberta School of Business)**, as well as the provincial **Board Development Program (BDP)**, Rozsa partners **Transcend Management Advisors Inc.**, and leaders working in the arts/non-profit sectors.

For more information about these programs, including eligibility, application deadlines, and fees, please visit our website at **[www.rozsafoundation.org](http://www.rozsafoundation.org)** and see **Programs**. Queries may also be directed to our Arts Leadership Director Geraldine Ysselstein, at 403-245-6063 or [geraldine@rozsafoundation.org](mailto:geraldine@rozsafoundation.org).

### **ABOUT THE ROZSA FOUNDATION – FOCUSED ON AND DEDICATED TO ARTS LEADERSHIP**

Established in 1990, the Rozsa Foundation builds on the legacy of its founders, Drs Ted and Lola Rozsa, by building artistic and administrative capacity in non-profit arts organizations and by advocating on behalf of the arts sector. Provincially, the Foundation hosts an arts management competition, offers a professional development arts management certificate, commissions research, and funds transformational initiatives, helping artists build organizational resiliency and change public policy. We value long-term partnerships and personal relationships. The Rozsa Foundation also provides limited operational support to a variety of non-arts agencies through donor-advised and designated funds.
